Award-winning, full-service advertising agency built to impact change in America.

Hart Inc. is a trusted partner within government contracting and has a deep understanding of the unique challenges and objectives facing local, state and federal agencies. We specialize in helping agencies communicate their missions, values and messages to the American public. Our programs aim to impact the lives of daily Americans through fully integrated PSA and marketing campaigns. We understand our government partners need to maximize resources and we work with them to implement best-in-class advertising practices, technology and human capital.
